MUKTI RURAL SOCIO ECONOMIC DEVELOPMENT ORGANIZATION over the last decade has established itself as an organization committed towards welfare and empowerment of the society. The organization has worked to create a platform and an understanding towards the marginalized and voiceless section of the society.

Taking impetus from its previous work **MUKTI RURAL SOCIO ECONOMIC DEVELOPMENT ORGANIZATION** this year articulated and highlighted its work and culture through its work at national level. We participated in various different programs to enhance our work area. **MUKTI RURAL SOCIO ECONOMIC DEVELOPMENT ORGANIZATION** was able to present its experience of working with different groups of people and institution. After working for few important approvals from Nabarangpur, **MUKTI RURAL SOCIO ECONOMIC DEVELOPMENT ORGANIZATION** is now up-to-date and also included how its work on sensitization and working with local governments and justice system led to greater impact.

MUKTI RURAL SOCIO ECONOMIC DEVELOPMENT ORGANIZATION also understands that many people or communities are never getting the needed rights they deserve. To ensure opportunities of education, health, nutrition, stable livelihood and survival, it was thus necessary to work with the private sector/Public Sector/ Government etc. **MUKTI RURAL SOCIO ECONOMIC DEVELOPMENT ORGANIZATION** therefore led consultations with various sectors.

All these activities made it possible for **MUKTI RURAL SOCIO ECONOMIC DEVELOPMENT ORGANIZATION** to highlight a few issues at the national level. 'Make in India' and 'Atmanirvar Bharat' initiative has formulated a great hope for unemployed youth and helpless people. **MUKTI RURAL SOCIO ECONOMIC DEVELOPMENT ORGANIZATION** is one of the first organizations to accept and implement few major issues at different levels in the coming days to add an impact to the national interest.
