*For the year 2019-20*

**MUKTI RURAL SOCIO ECONOMIC DEVELOPMENT ORGANISATION,**

**At/PO KHATIGUDA,  
DISTRICT: NABARANGPUR,  
ODISHA, PIN CODE: 764085**

**Dear friends,**

I extend hearty gratitude to the organisation as a whole for sharing the outcome of the total work done for publication of this annual report for the year 2019-20.

We attempt to encapsulate and reflect the efforts and experiences of **Mukti Rural Socio Economic Development Organisation** over the last one year. During this year we have undertaken several motivated as well as constructional measures to achieve our objectives of not a development starving but a developed society in our operational domain. It gives me immense pleasure to share our achievements with all our well-wishers who have given us their support. We are grateful to all of them whose faith and continuous support has encouraged us to reach this stage.

**Mukti Rural Socio Economic Development Organisation** is looking forward to moving ahead with the mission of enhancing livelihood of the poor and reducing their vulnerability. Its future course of actions has been developed on the basis of its past learning, successes and failures experienced during the past years.

During the previous year the organization's nucleus concern was development of socioeconomic condition of its target population. At the end of this year the organization comprehended an inward feeling that this was the period of community strengthening to fight against the age old practice of superstition and extortion particularly against those which are quite detrimental to the growth of the society. Besides mass empowerment and institution building measures development programs have been focused covering the important areas of livelihoods system through substantial practical strengthening and empowerment for communities.

On the occasion of publication of this report my submission goes onwards all categories of beneficiaries, and the district administration that are so kind and cooperative in line with the organizational vision and mission. I deeply appreciated and extend my deep sense of gratefulness for staff members for the painstaking, sustaining and persevering efforts being taken by them.

I hope the report would go a long way in presenting the past to the future.

With solidarity,

Chairman

**ACHIEVEMENTS OF 2019-20**

The following programs have been organized by the organization with its own resources and charity with the supports of the volunteers and well wishers.

- 1. AEP on Positivity:**
- 2. Disaster Management Program**
- 3. Block Level NYP**
- 4. Swachhata Bharat Abhijan**
- 5. Youth Leadership training for Community Development**
- 6. SHG Training Programme**

Since the organization is the founder 32 Self Help Groups, and as the government and the banking agencies are now handling them with their schemes, but they do not get the benefit out of the schemes due to lack of their knowledge. So, the Organisation decided to conduct 3 Awareness Programmes on different schemes of the government, for the leaders of Self Help Groups. Different causes and factors for an SHG to raise and fall was made aware to the participants.

**3. Agriculture Awareness Programme**

Mukti Rural Socio Economic Development Organisation organised two awareness camps in Manchagam and in Lamtaguda Gram Panchayats. The paddy cultivators were invited to the camp. The Village Agriculture Worker made aware to the participants on SRI cultivation. The participants were elaborately explained how corporately SRI cultivation yield more than any other cultivation. The procedure of SRI cultivation was made aware to the participants. The government scheme and benefit of the cultivation was also made aware to them.

**4. Right to Education Programme**

Right to Education is a new concept for the entire stakeholder. The children, the parents and even the teachers are lack of its provisions. So it was necessary to aware the children, the parents and even the teachers on the provisions of Right to Education Act of the government. The government is taking different programs to aware the teachers, but the children and parents are not getting any opportunity to know about the provisions of Right to Education Act. Therefore, Mukti Rural Socio Economic Development Organisation organised two Awareness programs differently for the children and parents at Paraja Barangpadar Upper Primary School. All the teachers of the school were invited in both of the programs. The in school and out of school children and the parents apart were made aware the right of all children for education, and provision of prosecutions in the act for the defaulters. The provisions for aid and support of the government to a school are also made aware, so that the teacher can ask their authorities for its compliances.

#### **5. Child Right Awareness Programme**

The government has passed Child Right Act, but no awareness are made to the children to take the benefit of the Act. The Children, Parents and all other stake holders are lack of awareness on the Act. So, Mukti Rural Socio Economic Development Organisation decided to give awareness to the children on the act to get benefit out of it. The school children of Dyke Guda upper primary school and Parja Barangpadar upper primary school were made aware by Mukti Rural Socio Economic Development Organisation on the provisions of Child Right Act. The Right to Education Act was also focused during the programs.

#### **6. Awareness Generation Programme & Women Empowerment**

Mukti Rural Socio Economic Development Organization organized a Women Empowerment Program at Khatiguda and Gouda Deopali inviting the members of Self Help Groups of Paraja Barangpadar and Gouda Deopali Gram Panchayats respectively. There was awareness on development of SHG, Domestic Violence Act, Child Right Act, Right to Education Act, Right to Information Act, Mahatma Gandhi National Rural

Employment Guaranty Act, Right to Public Service Act, Health and Sanitation and so on. They have been made aware to use safe drinking water and keep their environment clean. They were taught to take pre caution major from Malaria, Diarrhea, HIV/Aids, T.B and different water borne diseases.

Success and self confidence made them big deeper with increasing level of involvement in income generation activities like rice and turmeric processing, Goatary and poultry farming, mushroom and off season vegetables cultivation etc.

## **9. Tribal Development Awareness and Health Camp**

Health camp was organised in Dyke Guda. Mostly scheduled tribe and scheduled caste people are residing in the village and its surrounding villages. It is adjacent to Kalahandi district. The staff from Health Department cooperated in the programmes. The Gram Panchayat leaders and Panchayat Samittee Chairman also participated in the programmes. The people in the camps were given health awareness. Then, the doctors of health department examined the patients and distributed medicines free of cost.

**Conclusion:**

Social Progress cannot be possible in some mathematical formula, but by some social idea which may not be visible immediately. It requires time and patience to see the fruit of a development effort. We have timed our best with our entire mind, heart and hands extend possible. There is success as well as failure in our effort. We have learnt from our failure and we have encouraged by our success. Keeping in view our limitations we shall continue to strive to built a society where the people in general, poor, and needy in particular can live happily with justice and peace and can realize the joy of a liberal life.

We do thank the members, volunteers and well-wishers for their hard work and support; to whom the success of the organization goes on.

Chairman
